## Dedication

We, the graduates of Seligman High School respectfully dedicate this annual to our parents, whose encouragement, and discipline has helped to this our final year of high school and will influence our decisions, as we make our places in the world for it is said, as the twig is bent. so the tree will grow.

# *In Memoriam*

## Harry C. J. Lennox

A man who served for many a year,
As a friend and as a guide.
Who taught us the English language,
And also national pride.

A man who tried to help us,
When a problem was at hand.
And yet a man who wanted us,
On our own feet to stand.

A man who loved our little town,
And loved it so sincere.
Seligman High is a better place,
Because he was here.

Here's hoping even though we haven't known each other very long we will stay friends. It has been nice knowing you and I wish we could go to school together next year but I guess we will both be having Phod Phil Seligman High-bop. (They are dangerous!)

Be good and watch out for them

# Prophecy

Since so many graduates of the class of "1964" have become famous, OBOY -T.V. is covering their class reunion. Here is the story now:
It is the year "1984". The place is the Blue Ballroom in Seligman, Arizona. (What used to be Angel's Pool Hall.)

The first to arrive is Mary Ann James. She recently struck another oil well on the four corners. She come by way of Las Vegas where she recently purchased the Sands.

Arriving after her is the Frances Soto of Paris, a very famous wig and toupe designer. She has sold wigs to QUEEN ELIZABETH, ELIZABETH TAYLOR, YUL BRYNER, and other famous people.

Now we see Mike Dolan alighting from his mink covered turbo-jet. Mike as a stunt man on the Stoney Burke show is now recovering from a broken leg.

Now arriving is Dianne Skutt in an old Seligman High School bus. It seems to be overflowing with her 18 children. Her husband was not able to be here because he works a 20 hour shift so that he can feed his kids.

Connie Moya is now being driven up with her fifth millionaire husband. The other four died unexpectedly.

The famous Charlotte Bravo will start a three year engagement as a torch singer at the Black Cat next week.

Steve Bradley has joined "McHale's Navy" taking the place of Ensign Parker. One moment, I have just received a telegram from Mr. Bradley. It reads; "Please excuse my being late. I am having a little trouble getting the P.T.-73 up Chino Wash." "No water.!"

With the arrival of Steve's message the class of "64" will soon be together.

NOVEMBER 8, 1967

Dear Billy:

Well, we've both got a lot in common. We've both been shafted!

Always remember those two dreadful nights we discovered we got put down: Saturday, me by Charley, & Sunday, you by Perry-Boy, what a horrid feeling-

Just remember, you don't have to sweat - 'cause you're a wonderful girl, and I'm proud to call you my true-blue pal-

Those guys are two of the biggest chicken-shits I've been in a long time.--Right?!

Hope you can read this mess of crap!!

Love & Always
